Grove's Tasteless Chill Tonic. He had taken this prescription only a few days until quite

a favorable change was noted, in fact, he grew so rosy, healthy and plump, that Mrs Grave

in describing his condition to her husband, remarked "Grove's Tonic makes our baby as fat

as a pig". This led Mr. Grove to thinking that the expression "as fat as pigs" used in con-

nection with babies, was a very common one, and suggested to him the idea of combining a

child's face with a pig's body, with wording as above, "Grove's Tonic makes children as fat

as pigs". It is an attractive trade-mark, and the remedy it represents-Grove's Tonic-is

regarded by the public as being the very best prescription for Malaria, Chills and Fever.

The record of the Paris Medicine Company shows that Nine Thousand gross-Ninetv car-
